Third Times a Charm as Once Upon a Bachelor Returns For Season 3

Mesa, Arizona, February 16, 2024 — CaZo Dance Theatre leap to the stage this Spring to debut season three of their wildly popular, full-length dance production, *Once Upon a Bachelor*.

Although much of the show stays true to its roots, season three opens its doors to the show's first fairytale bachelor, Reyrana, Prince of Padovia. "The original idea for the show was to showcase a dozen fairytale princesses vying for the love of an ordinary man," says CaZo Creative Director and Choreographer Bridgette Borzillo. "But as the show continues to grow in popularity, we have to keep upping our game. Having the bachelor also be a fairytale character felt like a perfect next step in the show's evolution."

To build even more excitement for the show, Borzillo called upon the show's fans to choose which characters from past seasons would return. "Once Upon a Bachelor has always been an interactive experience. Allowing the people to vote for which characters would appear in this new season added a new level to what makes this show so popular."

Like its predecessors, *Once Upon a Bachelor Season 3: Third Times a Charm* includes plenty of pre-recorded "confessionals" sprinkled throughout the show. Audience participation and voting opportunities are mixed with several new dances and four new endings the audience can choose from, making each performance a hopping fresh experience.

Once Upon a Bachelor Season 3: Third Times a Charm will be performed LIVE at Tempe Center for the Arts (700 W. Rio Salado Pkwy., Tempe, AZ) on Friday, April 26 at 7:30 p.m. and Saturday, April 27 at 2 and 7:30 p.m. Tickets are on sale now at www.cazodance.com or on CaZo Dance Company's official Facebook Page. Prices are \$28 for general audiences, \$20 for students, \$55 for VIP (limited quantities), and \$22 for virtual tickets.

Doors open 45 minutes prior to the top of the show and will include a thirty-minute pre-show that includes live performances from CaZo Dance Theatre's Apprentice and Pre-Core members along with introductory confessionals that are sure to leave you in stitches.

"Three years into this show, we've found a natural footing," says Borzillo. "Because of that, season three is set to become one of our best shows in our 10-year history."

Time to find love for a third time with your favorite fairytale characters!
